Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost.

There may be other RCRA documents that the EPA Project Manager might have that are not included on the enclosed index sheets. If you cannot visit us, we will need review the documents that the Project Manager has, and get back to you.

We also have one document for Hoffmann La Roche in Nutley, New Jersey, which may be considered confidential and/or marked as confidential. We recommend that you first review the documents that we have. If after reviewing the documents and you still have an interest in pursuing the regulatory process to request disclosure of the confidential document, please inform Mr. Abrines at the above number.
